JonesTrading Continues Sector Research Expansion

Names Dr. Soumit Roy Vice President, Healthcare Analyst

(Los Angeles and New York: July 10, 2018) JonesTrading Institutional Services LLC (“JonesTrading”) continues recruiting top industry talent to resource growth, naming Dr. Soumit Roy as Vice President, Healthcare Analyst. He is responsible for research coverage on Biotechnology companies within the Healthcare sector. This follows on the recent announcement of Eduardo Seda as Energy Analyst.

Prior to joining JonesTrading in 2018, Dr. Roy was a Senior Research Associate at SunTrust Robinson Humphrey, covering small- and mid-cap Biotechnology companies with innovative technologies; notably T cell therapy, targeted medicines, gene editing and next generation immuno-oncology.

He was a post-doctoral fellow at the Icahn School of Medicine at Mount Sinai, New York, in the Clinical Immunology Department, and his research was focused on understanding and discovering novel agents to improve vaccines. He earned his Ph.D. from the Albert Einstein College of Medicine, New York, where he helped develop a novel drug candidate that targets the powerhouse of cancer cells to stop cancerous growth. He holds two Master’s degrees, in Developmental Biology and Biochemistry, and has published in the highest rated scientific journals.

Alan Hill, CEO of JonesTrading, said: “JonesTrading continues to expand our research offering, and we are providing targeted sector analysis to meet client demand. For many years JonesTrading has been a leader in providing real time market trading color. This hire furthers our goal of complementing real time analysis with traditional sector based research. This will include stock specific analysis that will directly help our clients.”

Dr. Soumit Roy, Vice President of JonesTrading said: “Making sense of Biotechnology is increasingly mandated by clients. The dynamics and structure of the sector, as well as the strategies and financials of the established and emerging companies, find institutional investors asking for intelligent insight. JonesTrading has always been committed to providing color, and the expansion into Biotech and Healthcare will go a long way to providing guidance.”
